OLD BUSINESS

See April Minutes.

New election inspectors were trained on April 19 and 21 – gained ~20 new inspectors.

School Elections to be held on May 17 for Candor CSD, Waverly CSD and Owego-Apalachin CSD

NEW BUSINESS

Voting booths received from Schenectady County all say "Schenectady County Board of Elections." A graphics vendor was selected for applying stickers with Tioga County information to cover up old stickers – more cost/time effective than removing the old stickers.

New Election supply bags, and secure absentee and affidavit transport pouches were ordered and will arrive before June Primary.

We will have a countywide Primary for 3 parties - Democrat, Republican, and Conservative - with Military ballots being sent by May 13th.

Redistricting Rulings will be announced and then possible redistricting will be completed for the second time. This may create a second primary for Congress and State Senate in August.

PERSONNEL

We are now fully staffed in the main office. A resolution was presented to hire drivers for voting machine transport.
