

**Flood Mitigation
Group Mission**

To work with all communities in Tioga County to help answer questions on flooding needs, and as feasible, assist in the acquisition of necessary funds to systematically update and implement the Tioga

County All Hazards Mitigation Plan, including a variety of safeguards to communities and individuals from flood risks to the extent that is practically achievable. To consider and promote flooding issues on a watershed level for the entire Upper Susquehanna River Basin.

Tioga County Flood Summit Details

The Tioga County Flood Mitigation Group received a grant award from FEMA to provide education opportunities for local officials in relation to flooding events. Since the 2006 flood events the County Flood Mitigation Group has been working to update the County All Hazards Mitigation Plan in relation to flood projects and issues and has secured funding to complete an education

Village of Owego During the June 2006 Flood.

campaign for local residents of the County. Please attend the Flood Summit and learn what you can do as a local official to help mitigate floods in your municipality.
