

Children with Special Health Care Needs (CSHCN)

The CSHCN program is informational, referral and advocacy program for children birth to 21 years who have – or are suspected of having a serious or chronic physical, developmental, behavioral, and/or emotional condition, and who require health or related services of a type or amount beyond that typically required of children.

This program can help families:

- Make referrals for special health care or related services
- Obtain information on programs and services available
- Increase the knowledge of families regarding available community resources
- Navigate through 3-5 preschool special education process
- Obtain family support services
