PROPOSAL

AGGREGATE PROCESSING

The Tioga County Commissioner of Public Works will receive sealed proposals at the Tioga County Public Works Department, 477 Route 96, Owego, New York, until 10:30 A.M. Wednesday, April 5, 2017.

All bids shall be submitted in accordance with the attached instruction sheets.

All bids shall be made on the attached proposal sheets. Exceptions may be rejected. All bids shall be submitted in a sealed envelope marked:

“AGGREGATE PROCESSING BID”

“DO NOT OPEN UNTIL 4-5-17 AT 10:30 AM”

All bidders shall submit signed copies of the required NON-COLLUSION CERTIFICATES with their bid proposals. Failure to do so may constitute grounds for rejection.

The County Commissioner of Public Works or his agents reserves the right to reject any or all proposals.

Tioga County reserves the right to reject or accept all or any part of any bid solely as it deems in the best interest of Tioga County.

The successful bid contract may be extended for a period of one (1) year if it is mutually agreeable to both the Commissioner and the low bid contractor.

Any Town, Village, or School District in Tioga County may participate in the bid.

The award of this contract shall be based on the lowest responsible bid. Bidders must bid on all components of each section and all items bid must be from a single manufacturer to be eligible for award. An award will be based on all products meeting Tioga County's specifications as outlined in the bid document. A no bid on any item within a group may disqualify the bidder from the group award. Considerations will be made to availability of material, delivery, and past history as well as the current standing of the supplier within the industry.

There shall be no assignment of this contract to any other party by the successful bidder without County authorization.

CONTRACT TERM:

The term of this contract will extend through April 3, 2018.

DETAILED SPECIFICATIONS:

1. The Contractor shall have a minimum of three (3) years' experience in the processing of aggregate as described in these specifications and include a listing of the experience with the bid.
2. The Contractor will provide all necessary equipment and manpower to perform the work described in this specification.
3. The Contractor shall obtain a permit to construct/operate an air contamination source from NYSDEC. The contractor shall also obtain any other federal or state permits required to perform this work.
4. The Contractor shall conduct his activities in such a manner as to comply with all state and federal laws regarding worker safety. All work required shall be completed in compliance with any time schedule as may be set by mutual agreement between the County and successful bidder.

CONTRACTING AGENCY REQUIREMENTS

The following functions are specific responsibilities of the contracting agency.

1. Provide a flat, accessible area for the equipment to be erected and stockpiles to be created.
2. Provide cobbles and bank run gravel for processing into crushed aggregate.
3. May supply a means to remove crushed aggregate from the crusher discharge stockpile.

DESCRIPTION

This work, performed by the contractor, shall consist of crushing bank run gravel and/or cobbles obtained from both stockpiles and natural deposits at or near the site where the crusher is to be located.

In the event that the contracting agency is not capable of either stripping the raw material or loading the raw material into the crusher, the contractor shall supply as an option, a loader, or bulldozer, or both as requested by the contracting agency. The requirements of this equipment are outlined in section E of this specification.

MATERIALS

1. Materials shall meet the New York State Department of Transportation Standard Specifications, Construction and Materials, dated September 6, 2012 including current editions and modifications.
2. Aggregate shall meet the requirements of Section 703, Aggregates, and shall have the following gradation:

SIEVE SIZE	% PASSING
1-1/2"	100

EQUIPMENT

1. The equipment shall consist of a mobile crushing machine capable of reducing bank run gravel and/or cobbles.

2. The equipment shall be capable of reducing all oversize particles and chunks to a gradation such that 100% passes a 1 1/2" sieve.
3. The equipment shall be capable of producing at least 1,000 tons/day of crusher run. The crusher shall be capable of determining either:
 - a) the weight of material produced or
 - b) the volume of the material produced
4. The optional loader shall be equipped with a minimum 4 1/2 C.Y. bucket.
5. The optional bulldozer shall be at least a "D-6" class machine (or equal).

The Contractor may take aggregate samples or tour the gravel pits prior to bidding to aid with their bid proposal. Please call the Commissioner of Public Works office at (607) 687-0302 to notify the contracting agency.

The successful bidder, at its own cost and expense, agrees to the insurance, indemnification, and general terms and conditions set forth as attached hereto entitled "Tioga County, New York – General Contract and Insurance Specifications", which are to be incorporated herein by reference as if fully set forth.

CANCELLATION:

Tioga County reserves the right to cancel the contract for unsatisfactory workmanship or unsatisfactory service at any point in the contract year, upon issuance of ten (10) days written notice to that effect.

AWARD:

Award shall be made to the responsible bidder proposing the lowest price for Aggregate Processing whose proposal complies with all provisions to render it formal and legal and whose proposal is considered adequate to the best interests of Tioga County.

WARRANTY:

All materials supplied by the contractor shall carry the standard manufacturer's warranty.

COARSE AGGREGATE BID PRICES:

The unit price bid for aggregate processing shall be determined by the number of tons of crusher run produced. As an option, the Contracting Agency may agree to a unit price for aggregate processing that shall be determined by the number of cubic yards of crusher run produced. Therefore, the contractor shall provide a bid price in both units of tons and cubic yards.

The unit price per ton (or cubic yards) shall include equipment to: strip the gravel (Optional), load material into crusher (Optional), and crush the aggregate. Labor to operate the equipment supplied by the contractor shall also be included in the bid price.

Vendor name ("Contractor"):	
County Department:	Tioga County Department of Public Works

Please read these specifications very carefully. These specifications are part of your contract with Tioga County. It is advisable that you forward a copy of these specifications to your insurance agent. Tioga County's waiver of any requirement(s) set forth herein shall not constitute a waiver of any other contract provision.

Part I. General Provisions

1. The Contractor shall procure and maintain during the term of this contract, at the Contractor's expense, the insurance policies listed in Part II with limits equal to or greater than the enumerated limits.
2. Every required policy, including any required endorsements and any umbrella / excess policy, shall be primary insurance. Insurance carried by Tioga County, its officers, or its employees, if any, shall be excess and not contributory insurance to that provided by the Contractor.
3. Every required coverage type shall be on an "occurrence basis" unless otherwise specified or allowed.
4. The Contractor may utilize a combination of primary and umbrella/excess liability coverage to achieve the limits required hereunder; such coverage must be at least as broad as the primary coverage.
5. Proof of insurance coverage shall be provided on an ACORD 25 form or acceptable equivalent. All insurance certificates must be approved by the County Department of Law or its designee.
6. The amount of self-insured retention or deductibles must be disclosed on the certificates of insurance. The contractor shall be solely responsible for any self-insured retention or deductible losses under each of the required policies.
7. Tioga County reserves the right to request a certified copy of any policy and any endorsement thereto.
8. All insurance shall be provided by insurance carriers licensed & admitted to do business in the State of New York and must be rated "A-, XI" or better by A.M. Best (Current Rate Guide).
9. If the Contractor fails to procure and maintain the required coverage(s) and minimum limits such failure shall constitute a material breach of contract, whereupon Tioga County may exercise any rights it has in law or equity, including but not limited to the following:
 - (a) immediate termination of the contract;
 - (b) withholding any / all payment(s) due under this contract or any other contract it has with the vendor (common law set-off); OR
 - (c) procuring or renewing any required coverage(s) or any extended reporting period thereto and paying any premiums in connection therewith. All monies so paid by Tioga County shall be

repaid upon demand, or at the County's option, may be offset against any monies due to the Contractor.

Part III Defense and Indemnification

The following provisions concerning indemnification shall not be construed to indemnify the County for damages arising from bodily injury to persons or property contributed to, caused by or resulting from the sole negligence of the County or its employees.

The Contractor agrees to indemnify and hold the County of Tioga and any officer, employee and/or agent thereof free and harmless from any and all losses, penalty(ies), damages,

settlement(s), cost(s), charge(s), professional fee(s) or other expense(s) or liability(ies) of every kind arising from or relating to any and all claim(s), lien(s), demand(s), obligation(s), action(s), proceedings or causes of action of any kind in connection with, or arising directly or indirectly from the negligent error(s) and/or omission(s) and/or act(s) of the Contractor (including Contractor's employees, agents and/or subcontractors) in the performance of this agreement.

Without limiting the generality of the preceding paragraphs, the following shall be included in the indemnity hereunder: any and all such claims, etc., relating to personal injury, death, damage to property, or any actual or alleged violation of any applicable statute (including specifically but not limited to New York State Labor Law §§ 200; 202; 240 & 241), ordinance, administrative order, executive order, rule or regulation, or decree of any court of competent jurisdiction in connection with, or arising directly or indirectly from, errors and/or negligent acts by the Contractor, as aforesaid,.

Part IV Safety

Tioga County specifically reserves the right to suspend or terminate all work under this contract whenever Contractor and/or contractor's employees or subcontractors are proceeding in a manner that threatens the life, health or safety of any of contractor's employees, subcontractor's employees, county employees or member(s) of the general public on county property. This reservation of rights by Tioga County in no way obligates Tioga County to inspect the safety practices of the Contractor.

If Tioga County exercises its rights pursuant to this part, the contractor shall be given three days to cure the defect, unless Tioga County, in its sole and absolute discretion, determines that the service cannot be suspended for three days due to Tioga County's legal obligation to continuously provide contractor's service to the public or Tioga County's immediate need for completion of the Contractor's work. In such case, Contractor shall immediately cure the defect.

If the Contractor fails to cure the identified defect(s), Tioga County shall have the right to immediately terminate this contract. In the event that Tioga County terminates this contract, any payments for work completed by the Contractor shall be reduced by the costs incurred by Tioga County in re-bidding the work and /or by the increase in cost that results from using a difference vendor.
