Triple Play with Alice Detrick: August 2, 7 - 9 pm

Summer is

right around the corner! Tioga County

Public Health wants our families to have fun and be safe with our Summer Safety Tips!

- ⇒ When bicycling, rollerblading, and skateboarding, it is important to wear protective gear. That means **always** wearing a helmet and bright-colored clothing so that you are easily seen.
- ⇒ An adult should be present when children are swimming. If you are swimming, never swim alone. While children like to play in creeks, ponds, and kiddie pools during the summer, always check the water and area before letting kids play in it.
- ⇒ Prevent bug bites. Mosquitoes and ticks love the warm summer weather as much as we do! Remember bugs transmit harmful diseases, so it is important to use insect repellent.
- ⇒ Heat-related illnesses and sunburns are serious. It is important to use sunscreen with at least 15 SPF protection every time you are outside. Drink plenty of water and do not forget to give plenty of water to your pets.
- ⇒ Never leave children and pets in parked cars (even with the windows cracked), just 60 seconds in the car can be deadly!

AUGUST

Tioga County Fair

Volunteer Anyone?

Ask yourself:

What issues or careers interest me the most? What am I good at? How much time do I really have to spare? Can I be responsible and show up on time? Do I want to work alone, with family or friends?

Then find out:

What organizations or groups address your interest?

Places to consider: Senior Citizen Centers, Hospitals, Nursing Homes, Animal Shelters, Faith Based Groups, Conservation Centers.

Need ideas?

Call the Youth Bureau at 687-8317

Youth Employment Program

687-4020, ext. 317 or 687-8501 M/W

Cara Zampi, Cornell Cooperative Ext. in partnership with Broome Tioga Workforce

Want to put some green in your pocket? Are you out of school? Can't get a job? Need a skill or diploma? The WOIA Youth Employment Program is seeking HS graduates or dropouts of school youth, ages 18 – 24 who are looking for work or to further their education. Interested in the program?

Call Cara to set up an enrollment.

Guthrie VolunTeen

570-887-4242 Guthrie Healthcare System, Guthrie Sq. Sayre, Pa. 18840

The purpose of the program is to give high school students, ages 14 – 18, opportunities to gain employment skills and get a first-hand look at health care.

Teens work four hour shifts with various duties.

"I Want a Job"

If you are under age 18, you must have working papers to work. If you are 14 you can apply for working papers from your school guidance office.

Where do I go to find a job? Think about:

- Places you know of where teens or friends currently work.
- Programs you have been involved in or volunteered at that have teens on staff.
- Check out local bulletin boards (gas stations, grocery stores).
- Don't forget about lawn work and babysitting for neighbors and family.

The Application

Applications ask many questions - make sure you know the answers. Complete a practice application ahead of time.

The Interview

Ask an adult or friend to do a mock interview with you. This should include:

- Describe your previous work and volunteer experience.
- Why you are interested in this job?
- How much time can you commit?
- What sets you apart?

Be Realistic:

Jobs are not easy to find. In the meantime improve your skills.

Volunteering

Taking a Babysitting Class

Taking CPR & First Aid Classes

First Aid, CPR and Lifeguard Training programs are designed to give you the confidence to respond in emergency situations with skills that can save a life. The Red Cross chapters listed below offer a selection of days and times for you to take these classes. Skills gained can assist you in your job search and life!

Babysitting Training

Babysitter Training
