Chair Sauerbrey called the meeting to order at 1:01 p.m.

**Finger Lakes Wine Country Marketing Association:**
ED&P Director Tinney reminded the Legislature of the County’s involvement with the Finger Lakes Wine Country Marketing Association as previously requested and presented by Tioga Downs in 2014. Ms. Tinney reported Tioga Downs needed to be a part of this organization in preparation of acquiring the casino license and in order for a business to participate the County is required to join the association. In 2014, the Legislature agreed to participate with the following caveats: 1) County participation would not proceed until the hotel opened and revenues were generated as a result of additional hotel/motel taxes; and 2) Tioga Downs would be required to pay the one-time equity payment of $40,000 to get the County on board, which has been done. Ms. Tinney reported the remainder of the agreement starting in 2019 is the County’s annual fee to this association in the amount of $60,000 for 3 years until 2021. Ms. Tinney reported discussion will occur during the 2019 budget process as to the best way to approach this annual funding. Ms. Tinney reported at the end of 2021 the County’s commitment ceases, however, the option is available for the Legislature to re-visit this
relationship and make the decision for continuation. Legislator Sullivan requested Ms. Tinney return to the Legislature with another reminder at the commencement of the 2019 budget discussions.

2018 Budget Update:
Budget Officer Hollenbeck reviewed the difference from the tentative budget to when the adopted budget is passed next week. Ms. Hollenbeck reported the only change is the appropriated fund balance amount based on salary verifications and fringe benefits. Ms. Hollenbeck reported this change was specifically in the general operating fund, so the revenue and expense figures went up slightly. Following the publishing of the tentative budget, Ms. Hollenbeck reported she did not receive any budget inquiries.

Emergency Services Discussion:
Chair Sauerbrey reported a committee has been established to interview and recommend a candidate for hire to the Legislature for the Director of Emergency Services. Chair Sauerbrey reported the committee consists of: Legislators Hollenbeck, Weston, Sauerbrey, Personnel Officer O’Rourke, and Sheriff Howard. Chair Sauerbrey reported interviews are scheduled to begin on Monday, December 11th with two applicants. To date, Chair Sauerbrey reported five applications have been received, however, the application deadline is Friday, December 8th, therefore, additional interviews could be scheduled. Chair Sauerbrey reported this process needs to be expedited, as the County needs to hire a candidate by January 1st or the previously adopted resolutions regarding the restructuring of this Department will need to be amended. Chair Sauerbrey reported the Legislature is only interviewing and hiring the Director position, as the Director will be responsible for hiring the Deputy Director. Chair Sauerbrey reported it is possible that a special meeting will be called for the next worksession on December 19th in order to adopt the resolution hiring the Director position. Chair Sauerbrey requested Ms. O’Rourke email resumes to Legislators Hollenbeck and Weston for the interviews being conducted on Monday, December 11th.

Ms. Tinney reported the former Ag Economic Development Specialist working through CCE left employment a couple of months ago and during the budget process the County decided to put the $25,000 in the ED&P 2018 budget for the hire of
a part-time employee versus continuing the relationship with CCE regarding this position. Legislator Sullivan inquired as to whether CCE was paid for the entire 2017 year. Ms. Hollenbeck reported each bank holding County funds is only FDIC insured up to $250,000 per account.
  - **Annual Review of Procurement Policy** - Ms. Dougherty reported this policy is required to be annually reviewed by the Legislature to ensure the bidding process is accurately followed with obtaining the required quotes.
