APPROVAL OF MINUTES:
The November 6, 2018 minutes will be approved at the January 2019 committee meeting.

SHERIFF:
Undersheriff Mike Jackson presented the following information to the committee. Reports are attached.

Personnel Issues:
- Civil: All positions are filled
- Corrections Division: All positions are filled. We have one part-time cook position vacant
- Road Patrol: (1) funded vacancy and (2) unfunded vacancies. One deputy is in police academy. We will wait until the first of the year to fill the funded vacancy.
- E911 Emergency Communications Center: New dispatcher in training has resigned, leaving one full time dispatcher position vacant.

Labor Issues:
None to report.

Litigation Issues:
One case is still active.

Budget:
It appears we may not need all the Corrections overtime that was transferred over in November.
The inmate boarding is way off this year where the jail would typically generate more revenue. There was a change in operational philosophy and other counties/ feds put their resources elsewhere. Our office does not get involved with ICE (Immigration Customs Enforcement).

Legislator Weston: Will that have to come out of our fund balance of what was projected and the actual?
Undersheriff: On the books, it'll have to. You can view the track history but in one year it could blow it right out of the water.
Rita Hollenbeck: Jail services are a mandate.

Current Projects:
1. Today's inmate population is 48. This is the lowest we’ve seen since 1995. The Jail is designed to fit 104 inmates. There are the same number of arrests, just not as much incarceration. The average stay for an inmate is 30 days.
2. Met with Director Lori Morgan to evaluate RFP responses for the $156,000 Jail-based addiction services grant. This grant came out of the Senator’s Office. There were two responses that came from the RFP which were Trinity CASA, who we have in our jail now, and ACDC. There will be another meeting to decide on who will win the bid. With the Senate changing hands, Legislator Standinger said the amount may pare down.

Miscellaneous:
1. ATI worked 184-man hours.
   a. Raked leaves at Court House and Rural Ministry
   b. Cleaned Spencer Fire Dept. and Campville Fire Dept.
   c. Snow removal at County Buildings

Resolutions:
   a. 2019 STAFF CHANGES – 12 PT Corrections Officers to (5) FT Corrections Officers.
   b. AUTHORIZE 2019 CONTRACTS WITH SADD SCHOOL ASSOCIATES

OFFICE of EMERGENCY SERVICES
Mike Simmons, Director of Emergency Services, presented the following information to the committee. Reports are attached.

Budget: Over budget.

Resolutions:
   1. MODIFY 2018 BUDGET AND TRANSFER FUNDS
   2. AWARD BID – NYS FENCE INC. FENCING FOR CARMICHAEL TOWER – Only received one bid from NYS Fence. We expected other bids but no other interest.
Rich Perkins assisted and thought it was a good idea to put a fence around the guide so the amount was a little higher than we expected.

**Legislator Weston**: Does that reduce our liability with the insurance company?

**Director Simmons**: I don’t really know. It limits our liability a little more. There will be barbed wire on top as well.

**Legislator Weston**: Do you have to have that inspected every so often?

**Director Simmons**: We’re up there quite a bit anyway. We had talked about putting some cameras up there.

**Rita Hollenbeck**: With Partners, I don’t think you’re going to see a reduction in insurance.

Legislator Standinger asked if Peter DeWind had reviewed the bid. Director Simmons wasn’t in the room when the bid was opened so he was unsure if the County Attorney had reviewed it so he will follow up with that. Legislator Mullen stated if Peter was good with it, we are good.

Director Simmons stated the bid came in about $4,000 more than MidState’s previous bid. MidState didn’t bid this time around but did put in a bid before there was an addendum to the RFP.

**Monthly Activity:**

1. **Meetings Attended** – Attended all regular meetings
   a. **Regional Fire Coordinator’s Meeting in Syracuse**: There was talk about the lack of volunteers. There were a lot of ideas on why this is but the majority decided people just don’t have the time. There are more certifications that the volunteers must go through now and there is a written test in which people aren’t passing.

2. **Grants** – Same grants as last month. The one change is the SHSP18 in which the Tahoe was replaced. Director Simmons found one in Albany and piggybacked on bid from Rensselaer County. The vehicle is not in service yet because it’s still missing a radio. Legislative Chairwoman, Marte Sauerbrey, asked the Director if he was cluing in Gary Hammond as he manages the County Fleet. The Director said Gary is aware and is brought up to speed on this. The old vehicle can be surplused or can be reassigned. It’s waiting for something to break and he doesn’t know if the county wants to put more money into it. Ms. Sauerbrey had thought at one time, Gary Hammond wanted to use that vehicle for hauling.

3. **Other Emergency Services Activities**
   a. **Waverly Radio Project** – We’re figuring out how to connect it back to Owego. We don’t want to use the phone line as that is very expensive. Plexicomm, as of yesterday, said they could provide a connection. We share services with them right now. Legislative Chairwoman asked the Director if Doug was connecting the Village of Waverly to the County with the dark fiber. The Director said they may be able to connect to that.
Eventually the connection will need to run to Round Top Park. He could get it from Carmichael to Waverly in the fiber and look to see if it can go from Waverly to Round Top Park. The Director stated if we can get on the fiber optic cable that may save some money.

b. HazMat Team – Responded to one call for a truck rollover on Day Hollow Road. The Red Bull toppled over on 17C. Diesel fuel was running down the ditch. This was turned over to DEC to finish cleaning it up.

c. EMT Course will finish up in the next couple weeks. There was an issue with the paperwork being timely so the test got pushed back a month.

d. Interoperable Fire Radio System – The Director is looking to see where to add a tower site to make it effective for higher ban radio frequency. He had a conversation with Broome County to share their radio system which will be a cost savings but there will be additional costs of having a more sophisticated, trunked radio equipment. The consultants were looking into this to see how feasible this will be.

e. Fire Investigation Team – A 71-year old man perished in a house fire on Ridge Road in the Town of Barton. The Fire Investigation Team and State Police looked into that. The cause is still under investigation however, there is no foul play suspected.

f. I Am Responding Program – The Sheriff and the Director talked about polling fire trucks. Dispatch would find the closest car to the scene and that agency would be in charge and stay.

g. Discussed sharing an employee with Public Health. She'll work part time in EMO.

h. CAD System and Fire Department Box Alarms – There are some issues with the program. The company will need to work the bugs out of the program before the box alarms are added.

**PROBATION:**

Joy Bennett, Probation Director, presented the following information to the committee. Reports are attached.

**Budget Status:**

AutoMon LLC refund – Probation Director Bennett requested a reimbursement for CE Assessments for 2018. She advised sometime next year part of RTA money the state absorbed will be used to pay for upgrades to Caseload Explorer, including CE Assessments.

**Issues:**

1. Probation submitted a new application for RTA funding. Confusion over how the state will use STSJP funding verses RTA funding. STSJP funding is 62% RTA funding is supposed to be 100%. When speaking to DCJS they suggested RTA should only pay the balance of what STSJP is not paying or 38%, rather than the 100% coverage advertised.
2. RE RTA plans: Tompkins County’s plan was approved this week.

3. Probation Director asked if in 2019 the formal hours of the Probation Department’s support staff could be 8:30 to 4:30, the hours the Court follows in the Annex building, this was approved.

**ATI Programs:**
- Criminal Justice Breakfast – Trying to schedule the breakfast in January

**Personnel:**
- Unfunded PO Position
- Completed interviews for Office Specialist I position. Part time employment will begin on 12/10/18 and full time employment will begin on 1/2/19.

**Resolutions:**
1. **RESOLUTION TO APPROVE A CONTRACT BETWEEN THE TIOGA COUNTY PROBATION DEPARTMENT AND THE FAMILY AND CHILDREN’S SOCIETY TO PROVIDE ADULT & JUVENILE SEXUAL OFFENDER TREATMENT SERVICES.**
   a. This amount has not changed in the last 4-5 years. This treatment is provided at the Probation Office.

2. **2019 STAFF CHANGES – PT Typist to a FT Office Specialist I (Grade 3).**
   a. DCJS said in order for them to fund 50% of this position via RTA money, we would have to document that the employee is working 50% of their time on RTA matters only. Given that the state has not advised anyone of the format for how RTA claims will be made, it is tough to predict how we can claim this; Tioga may have some issues with getting this money to supplement the O.S. I salary increase. Rita Hollenbeck said DCJS and OCFS may do a quarterly time study.

Motion to go into executive session for personnel matters made by Legislator Bill Standinger and seconded by Legislator Dennis Updyke at 3:24PM.

PROBATION:

Public Safety Committee Meeting
Probation Department Report
December 4, 2018

Budget Status:
Have expended 91.2% of Probation budget.

Revenue - have received $6900 more in revenue than budgeted for as of November 29, 2018, doesn’t include any revenue for month of December.

Expenses - One Probation Officer’s BPV expired, ordering a replacement in December 2018, will arrive in January/February 2019.

Car repair went over budget due to charging for mechanic’s time. Budgeted $1,500 – expended to date $1,974.

Asking for a refund from AutoMon LLC for a portion of software expense for the CE Assessment product. The company advised that the assessment tool COMPAS would be part of the product in 2018, this never happened, so I have requested a $5200 refund.

Issues:

1. Submitted 3rd version of the RTA Comprehensive Plan to OCJS/OCFS/Division of Budget in November 2018. OCFS called on 11/28/18 and requested a 9th change, this was reviewed with Shawn Yetter on 11/29/18, we are going to decline their request that we add in something they directed us to take out.

2. Probation submitted new application for STSJP funding, this included a new area for RTA funding, so the information in the RTA plan was repeated in the STSJP RTA plan. We had had one review of this plan and implemented the suggested change. (we were requested to repeat information in the plan on another page in the plan). It is still confusing how STSJP and RTA STSJP claims are going to work in concert with RTA financial claims to the state.

3. Probation continues to work with both COTI programs. Alcohol/Drug evaluations has resumed in the Jail.

4. Probation Director sitting on committee that is reviewing the RFPs for treatment program in the Jail.

5. First case in Youth Part is ongoing, youth was indicted by a Tioga County Grand Jury and arraigned on the new indictment, Youth remains in Hillbrook Secure Detention in Onondaga County at a cost of approximately $800/day (First remand: November 2, 2018) Case is being prosecuted by the District Attorney for three counts of Robbery, First Degree, a Class B Violent Felony. There were two adult co-defendants indicted as well it is expected that these County Court cases will all be heard by Judge Dennis Morris.
6. New Small guitar class continuing in Waverly, on-going class continued in Owego, classes now meet 1x per week.

**ATI Programs:**

- **Electronic Monitoring** - 1 unit in use (1 adult) as an alternative to jail
- **Community Service** - Crew scheduled both days.
- **Pre-Trial Release** - Currently have 27 defendants released from Tioga Co. Jail by a Justice Court or the County Court:
  - 14 are released RUS meaning they report in person weekly to the Department and follow court orders for urine testing, alcohol/drug evaluations, etc.
  - 13 are released PTR meaning they telephone in weekly to the Probation Department to report any changes in their address or status.

7. **Juvenile Delinquency Services:** 3 Juvenile Delinquency Appearance Tickets were received in November 2018. All three tickets were for Misdemeanor charges. Two cases were opened for Diversion services, one was referred to the County Attorney for a JD petition as this youth already had a case pending in NYS Family Court. One of the JD Appearance tickets was a 16 year old youth, as a result of Raise the Age legislation.

   YTD: 23 JDAT received during 2018

8. **Alternative to Detention Programing:** 1 Youth remanded to Secure detention 11/2/18 on Juvenile Offender case.

9. **Court Ordered Investigations:** 56 investigations for Tioga County courts (Criminal, Family and Surrogate) are due in the next 60 days.

10. **Supervision:** 317 cases ordered by Tioga County courts & Family Court

11. **Violation of Probation petitions:** 37 defendants have violation petitions pending against them in criminal & family courts

12. **Criminal Justice Breakfast** - will schedule this breakfast in January 2019 after three new Justices take office. (Town of Berkshire, Town of Spencer, Town of Nichols)

**Personnel:**

- Unfunded PO position
- Completed Interviews for Office Specialist 1 position, candidate is being fingerprinted and will start part time employment on 12/10/18. On 1/2/19, she will begin full time employment
- Probation Officer resignation effective 12/7/18

**Resolutions:**
